

# LAMERS

The Passenger Professionals®

## Experience the Difference® ...Go Lamers!

- ✓ Lamers is Wisconsin and the Midwest's largest transportation solutions provider—established in 1944 ... in addition, Lamers is one of the top 10 operators in the United States and is the 13th largest motor coach operator in the nation.
- ✓ Lamers has the most comprehensive back-up plan. Lamers' staff is on-call 24 hours a day, 7 days a week.
- ✓ Lamers is an exclusive member of and meets the stringent standards of the International Motor Coach Group, Inc. ([www.imgcoach.com](http://www.imgcoach.com)) with 50+ affiliate members across the United States and Canada.
- ✓ Lamers operates from 30 Wisconsin-based and 1 Florida-based terminals, with a large fleet of vehicles, and its own meticulous maintenance staff.
- ✓ Lamers has the highest ratings from the Department of Defense & Transportation, and is an approved carrier by the Transportation Safety Exchange.
- ✓ Lamers carries more than the government mandated amount of liability insurance.
- ✓ Lamers employs its own full-time safety director.
- ✓ Lamers specially trains its drivers to meet stringent, above-average standards.
- ✓ Lamers maintains a standard exceptional style of service with the most experienced, knowledgeable, and efficient charter consultants.
- ✓ Lamers' repeat customers include professional & semi-professional sports teams; United States military; area corporations, municipalities, hospitals, universities, service organizations, 30+ Wisconsin school districts, and many more.
- ✓ Lamers provides tour planning services for private groups.
- ✓ Lamers provides unparalleled service at competitive rates!
- ✓ Lamers has its own mobile driver training simulator.
